📄 PROFILE

Passionate Frontend Developer and IT student with a creative eye for clean design and efficient code. Skilled in React, JavaScript, and responsive UI. Always eager to learn, build, and collaborate. I turn ideas into interactive experiences that users love — fast, functional, and future-ready.

🧠 SKILLS

Front end Developer, UI/UX
Designer

I can also use github relatively well and database connection applications up to intermediate level

🎓 EDUCATION

BSc(Hons) Computing

Softwarica College of IT and E-Commerce

09/2023 – 08/2026 | Kathmandu, Nepal

I'm a frontend developer and IT student who loves building clean, responsive websites. I enjoy turning ideas into real, usable interfaces and always look for ways to improve my skills and create better user experiences.

📖 COURSES

Junior Data Analyst

IOA
